Testimonials

“I spontaneously hired Luke for my sisters hens day and he was the absolute highlight of the day! I cannot recommend him enough. He tailored the show perfectly to suit the day with the perfect balance of typical hens banter and mind blowing acts. The girls spoke about him all night. I will definitely book with him again for future events!”

“Seen him produce at least 7 different acts tonight and I’m actually gobsmacked. From someone who doesn’t really believe in this stuff, I’ve left absolutely amazed at how good he was. The whole room was in shock and couldn’t believe how he pulled off each trick. A serious must watch!!!!”
